

Nice

Your smart and connected automation

Manage your gate and garage door wherever you are, with BiDi-WiFi and MyNice app.

Fast installation and intuitive management

Watch the video

Quick and easy installation

With BiDi-WiFi, you can easily transform your Nice automations for gates and garage doors into smart and connected solutions.

Management from app

Manage Nice automation locally and remotely with the MyNice app or via voice assistant, without gateway.

Geolocation

By activating the GPS on your smartphone, the gate or garage door opens or closes if the device is at a chosen distance.

Remote assistance

Through the MyNice app you can enable the installer to manage the automation remotely, setting times and authorization level.

We make even the smallest of gestures extraordinary.

Nice, a world without barriers.

Automation and control systems for gates, garage doors, blinds, awnings and rolling shutters and alarm systems for all types of space, from private homes to large public buildings.
