

2GIG Dealer Roadshow

Featuring GC Touch, 345S Sensors, and the 2GIG Ecosystem

This roadshow is the exclusive opportunity to get hands-on with the latest 2GIG security innovations, sharpen selling strategies, and build lasting partnerships—all in one high-impact day.

- **Product Mastery** Deep dive into the latest 2GIG panels, sensors, and smart home integrations.
- **Sales Enablement** Learn how to position 2GIG solutions to win more deals.
- **2GIG and ADC** 2GIG and Alarm.com partnered training sessions, 1 morning and 1 afternoon.
- **Live Demos** Experience the technology in action and see what sets 2GIG apart.
- **1:1 Meetings** Get personalized insights and business-building strategies.
- **Networking** Connect with peers, trainers, and product specialists.

Light breakfast and lunch provided for this event.
